BE INDEPENDENT ENJOY A LIFE OF LUXURY

The CRUISER 46 is one of the most successful models in the history of BAVARIA YACHTS. She has won several Awards including the highly coveted “European Yacht of the Year Award”.

With the new CRUISER 46 STYLE version BAVARIA YACHTS have achieved the impossible – improving perfection! The galley has been completely redesigned with a new stainless steel cooler and fridge combination, a three burner gas hob and oven as well as a high-quality worktop. Owners can choose between either a wine cooler or dishwasher to make life on board more comfortable. In the saloon and cabins modern and stylish design and materials give a luxurious feel.

This is all in addition to the balanced sailing and impressive potential speed of the CRUISER 46. Twin rudder blades make the CRUISER 46 adaptable in all wind conditions and courses.
