DECK / COCKPIT

Shown with optional equipment

CABIN

The 320 Coupe Outboard continues Sea Ray's bold new vision for sport cruising by blending the values of a cruiser and a bowrider with the versatility and efficient performance of twin Mercury Verado outboard engines. From the contoured Coupe fiberglass hardtop & spacious open bow with robust lounge seating, to the generous cockpit with wet bar & the beautifully designed cabin with sleeping accommodations for four, the Coupe offers the best of both worlds—day boating and cabin cruising.

The traditional bow sunpad has evolved into a much more robust lounge seating area, inviting a group to socialize and enjoy the view. The best part? The bow can be fully enjoyed while underway. Actuated headrests, armrests and seats allow users to adjust for perfect comfort, with a stowable table conveniently in reach. An optional bow sunshade can extend over the area to offer protection from the sun while at rest.

The cockpit affords effortless, versatile enjoyment of the water, with a natural flow from the helm all the way through the transom and onto the integrated swim platform. A reversible helm companion seat converts to face aft, facilitating conversation with the rest of the cockpit. A well-equipped standard wetbar includes a sink and storage, and offers a refrigerator and grill as options.

For ducking out of the elements or making an overnight or weekend-long getaway, the Sundancer 320 features a beautifully designed cabin with sleeping accommodations for four. In the mid-berth, two sliding twin beds can be combined to form a queen bed.

In the forward Salon / V-berth, a stylish table converts via filler cushion to form a comfortable full-sized bed. A deluxe head, gourmet-ready galley with extending countertops, flatscreen TV and generous storage round out this inviting space.
