

SR 44 Blackhawk

Windy
SPIRIT OF SCANDINAVIA

Windy

Spirit of

Windy

Scandinavia

Second to none

When WINDY was established in 1966, the philosophy was to build and deliver the “best built boats in the world”. Ambitious and brave when knowing the circumstances at the time. Since then, well over 10 000 boats have been built and delivered to discriminating boat enthusiasts all over the world and WINDY has become synonymous with this philosophy. Never losing our focus on quality and attention to detail has given us the status of a “niche builder” amongst admirers on our industry.

Windy

With experiences gained on the SR52 Blackbird we are lifting the SR44 Blackhawk to another luxury level; whether for use as a superyacht tender, a chase boat or a sportsboat for family and friends.

Windy

Windy Design Department release first renders of the new SR44 Blackhawk with outboard engines, targeted for both the US and European markets.

Specifications

With experiences gained on the SR52 Blackbird we are lifting the SR44 Blackhawk to another luxury level; whether for use as a superyacht tender, a chase boat or a sportsboat for family and friends.

Spirit of Scandinavia

Windy pursues a policy of continuous product innovation and enhancement. Everything presented in this brochure is subject to change without prior notice. This brochure must therefore be taken only as non-binding guidelines from Windy Boats • The images shown in this brochure do not necessarily show standard boats and cannot therefore be used as references for the standard specification for each individual model • All boats manufactured by Windy Boats are approved for specific categories by RINA and are CE-labelled • Every attempt is made to ensure that all information in this brochure is as accurate as possible, but it is important to note that a boat's performance and test data are given only as guidance • Fouling of the hull and stern gear, by for example marine growth and mud, propeller damage, engine set-up, engine manufacture and type, air and water temperatures, the weight of fuel, water, stowage and the number of persons on board may all affect the boats' performance and test data. For these and other reasons, Windy is unable to provide any guarantee of test data and boat performance • Graphic design: Jan Peter Lehne • Printed by Tellogruppen • Exterior and interior photos: JP Lehne • Windy Scandinavia AB reserves all rights in this brochure.
