## A RENAISSANCE OF SAILING

From a gulf that is an ancient cradle of sailing traditions and culture, from a land with a long tradition of hospitality.

## A RENAISSANCE OF YACHTING

Boats without boundaries, where the interiors blend into the panorama and let in the light, sounds and scents of the sea.

## A RENAISSANCE OF TECHNOLOGY

More respect for nature, more comfort  
living together, more sensitivity  
to rediscover the sea.

## A RENAISSANCE OF THE HUMAN BEING

In the midst of a new voyage,  
on a course taking us  
farther than ever before,  
surrounded by wonders.

## OUR HERITAGE

ARCADIA YACHTS

identifies with the values of a culture  
thousands of years old, a culture that has made its mark  
on history, art and architecture, characterised  
by a love of beauty and good taste and by the joy of sharing.

From ancient Pompeii to the Maritime Republic of Amalfi,  
from the Neapolitan Renaissance to the city's traditional cuisine:

ARCADIA YACHTS was founded in a place  
where the people cherish beauty.

UNIQUE  
FEATURES

SEAMLESS  
EXPERIENCE

Glass walls between the aft-deck and main salon and openable floor-to-ceiling windows create a fluid indoor-outdoor space for contact with nature.

### FLEXIBLE LAYOUT

Games room, dining room, private lounge, master stateroom: a range of options for the foredeck that can be configured to meet the owner's needs.

### MAIN SALON

One-of-a-kind, with sliding floor-to-ceiling panoramic windows and retractable terraces, each one about 5 metres long, bringing the sea "inside".

### Convertible Sky Lounge

Up & down openable windows for the upper deck. A fully enclosed third deck protected against bad weather or open to the sky to enjoy the breeze and the scents of the sea.

### PRIVATE SUN LOUNGE

A 36-square-metre area that can be easily adapted to the owner's requirements. The crew operations area is kept separate for total privacy.

### SEMI-PLANING HULL

The hull is optimised to ensure a cruising speed of 12-14 knots, utmost comfort and low consumption, up to 30% less than those of other main players.

### SOLAR PANELS

More than 50 square metres of solar panels that can generate more than 4 kW of power, combining the ultimate pleasure of life on-board with full respect for the environment.

## OUR SHIPYARD

Every renaissance begins in a specific location.  
The ARCADIA YACHTS renaissance begins in its shipyard,  
the centre of Arcadia's design and shipbuilding work,  
where it all happens: from the lamination of hulls and fibreglass  
to woodworking and finishing.

An advanced, energy-efficient facility extending  
over a 47,000 sqm area in the Gulf of Sorrento,  
a renowned centre of shipbuilding. Since ever.

What really counts at sea  
is knowing where you are  
and which direction  
you are heading in:  
ARCADIA YACHTS has set its course  
for the future, with the sailors  
of today and tomorrow.
